Dear Mr. Weisberg:

This is in reply to your letter of March 3rd to the National Naval Medical Center, concerning the autopsy of President Kennedy.

The entire record of the autopsy was delivered to the White House immediately afterward. It is the Navy's position that queries on the subject should be addressed to government agencies more directly involved in the matter than was the Navy.

Sincerely,

A handwritten signature in dark ink, appearing to read "K. W. Wade", is written above the typed name.
